

34 Délivrance

1. All children make a circle. The teacher stands in the middle, closes his eyes, turns and points a pupil.

2. The chosen one has to count until 34.

He must close his eyes and stand against a wall, a tree or a post.

3. During that time, the others go and hide.

4. When it's over, the « counter » tries to find the others. He shouts « 34 Enzo, you're seen », with the real first name.

5. If you're seen, you're prisoner. You can be set free if someone manages to touch the wall or the tree without being caught. In that case, the game starts again, everybody runs and hides.

6. The game ends when everybody is seen, and prisoner.
