

SANFERMINES

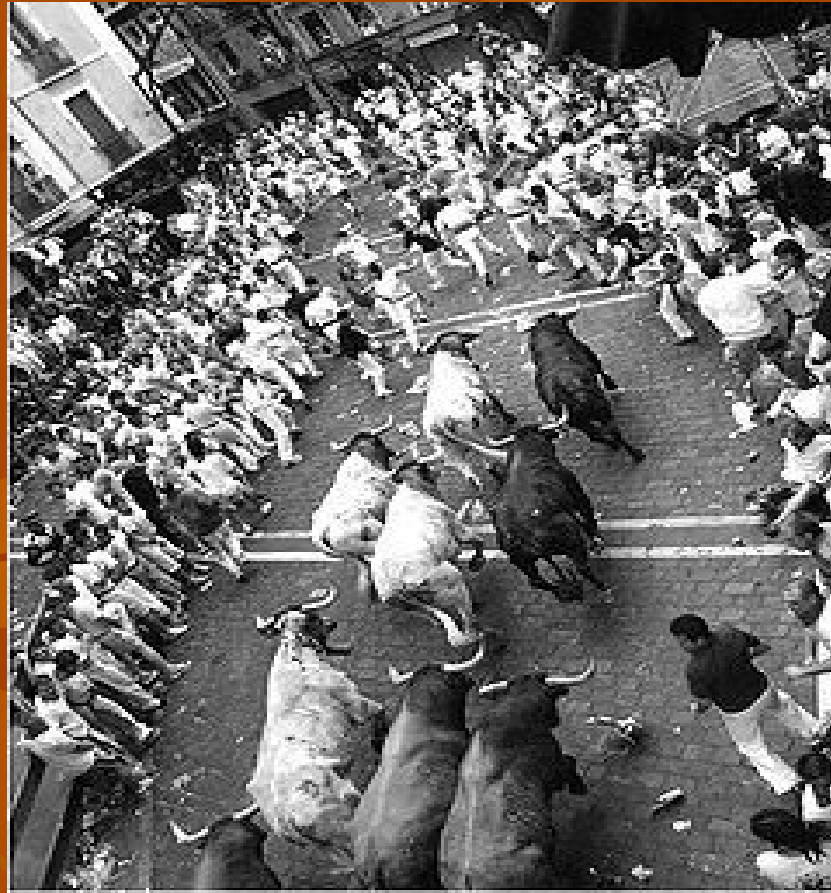

Andrea López and Denise Abel

The festival of San Fermín (or Sanfermines, Basque: Sanferminak) in the city of Pamplona (Navarre, Spain). This party begins on the 6th and ends on the 14th July. The opening of the party is marked by setting off the *pyrotechnic chupinazo*.

This party consists of people who run in front of the some bulls. The worst of this party is that it is very dangerous. Many years ago it was a traditional party

This party has a song. This song is:

Uno de enero, dos de febrero, tres de marzo, cuatro de abril. Cinco de mayo, seis de junio, siete de julio; SAN FERMÍN!!
(January first, February second, March third, April fourth. May fifth, June sixth, July seventh; SAN FERMÍN!!)

This is Sanfermines. Do you like it?
