21st-25th May 2014

Meeting on Thursday, May 22nd

Agenda:

1. Host greeting
2. Culture Box
3. Certificate
4. Future activities and future mobilities (Italy, Reunion, France, Slovenia)
5. QA

1. Host greeting

Mrs Višnja Reljić greeted all participants and presented a PPT with information on Croatia, city of Zagreb, Primary School Ivan Gundulić Zagreb and past as well as on-going project activities.

2. Culture Box

We are behind schedule.

Slovenia, Austria and Croatia have received only 2 Culture Boxes by now. The Italian box was sent by the Portuguese team last week* as reported by Mrs Albertina.

Reminder:

As agreed during the first meeting in Vienna in October 2013 the:

Mailing list Culture Box:	Sending boxes at the beginning of every second month (1st week):
Austria	Nov 2013
Croatia	Jan 2014
Estonia	Mar 2014
France	May 2014
Italy	Sept 2014
La Reunion	Nov 2014
Portugal	Jan 2015
Slovenia	Mar 2015

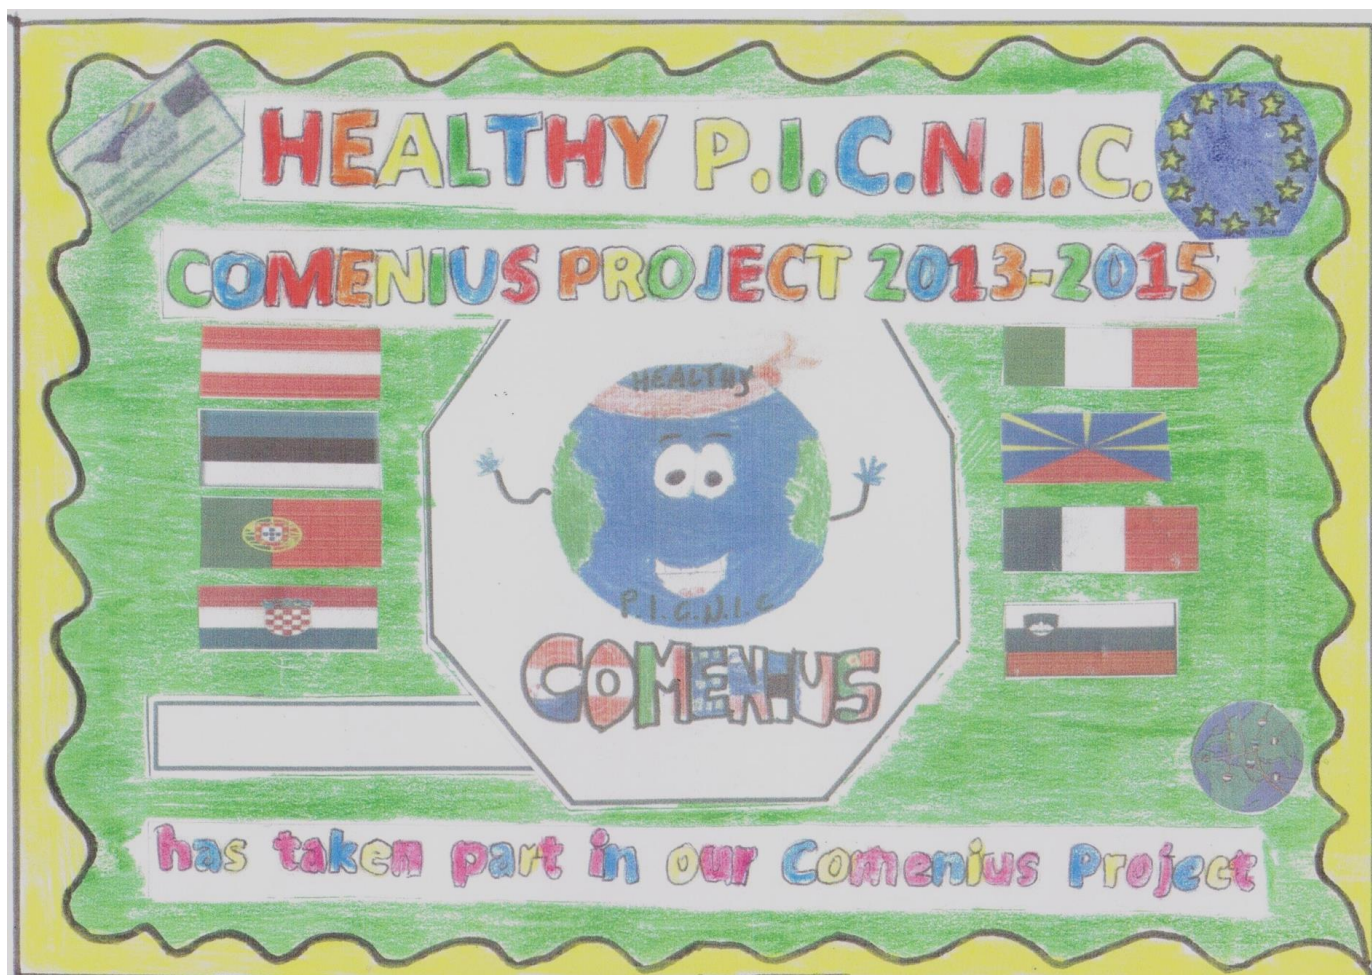

3. CERTIFICATE

We discussed the Italian suggestion/draft of the certificate and came to a consensus:

- it should be less colourful (due to printing costs and as we want to be environmentally friendly),
- the project logo should be in the middle,
- the date (June 2014) should be included,
- some space for mentor's name should be included

The Italian coordinator presented a new version of certificate, and the final one should be a combination of the both drafts. Mr Greg from France offered his help with editing the certificate.

The new certificate will be sent by email by the end of May.

The comments, wishes ...had been as follows:

COUNTRY	Comments, wishes, suggestions
AUSTRIA	<p>I totally agree with you and Kati, our project-logo should be in the centre and there should also be a date, as there will be two certificates. And I agree that the space for the name of the pupils should be bigger.</p> <p>What I would add is that in my opinion, as we also promote some kind of sustainable lifestyle, the certificate is too colourful (oh sorry, I hate to say that...I really love colours!). I just image printing out 450 sheets of paper (one for every participating kid in our school)! That would need so much ink and would be, as a consequence, also very expensive.</p>
FRANCE REUNION	
ESTONIA	<p>Kati's comment: Dearest Pina! It looks cool as it is like a drawing. But the logo in the middle is NOT the correct one. We should use the one what was chosen in Vienna. Also, we agreed that the students get a certificate per ONE year, so there should be dates 2013-2014 somewhere too. Of course the project itself lasts for 2 years, but the certificate per year. Otherwise it is a very happy and positive one. I would like to get that :).</p>
CROATIA	<p>Višnja's comment: Dear Pina, we agree with Kati and Maja , especially about more space for pupil's names and space for signiture of Coordinator, maybe date?</p>
SLOVENIA	<p>Maja's comment:</p> <ul style="list-style-type: none"> • 2 certificates are needed (as Kati wrote above) • LLL logo should be included (the right one /It's in our dropbox.) • The project logo chosen in Vienna should be bigger, • There should be more space for writing pupils' names as well as enough space for the coordinator of the project at each school to sign the certificate • We should keep in mind that some pupils are only 6 but some are much older (14, 15)

PORTUGAL	
ITALY
