FUTURE PLANS

If possible, please give us some provisional information on your future plans/ideas, including:

- Foreseen number of trainees involved in eTwinning in the academic year 2014/2015 and type of involvement. It would be possible to involve **30 trainees**, but it will depend from the type of Programme. We have 1600 students in the Primary Course. It would be possible to involve part of the 3rd year of course.
- Foreseen Number of placement schools, classes and pupil age. It will depend from the number of trainees.

What would be the best period for you for a possible eTwinning partnership? **From November to April/May**
